"Good Fellow" Is Usually Just "Good Fellow"

## One Of Hardest Points Of Baseball · Is the Matter Of Correct Scoring

By Lewis Arms

Many Fans Believe That They Are Efficient In This Department When Their Knowledge Is as a Matter of Fact Very Superficial.

may see how far off are the regular official scorers. The average fan believes that he is the last word in scoring efficiency, and he also believes that the regular scorer is prone to the things that makes life hardly worth living for the official score feeper in any league city. He, the an calls anonymously on the telephone or writes in the same manner to nform the official score keeper that ite, the fan, has grave doubts as to he capability of the score keeper for is job.

The score Keeper and Flance,
Many minor leaguers consider themselves tucky to break a little better than selves tucky to break a little better than even on the season. If the box other expenses the average magnate is fairly well satisfied and more than one bush league ball promoter relies solely on the selling of his players to leagues higher up to cut a melon for himself.

The score Keeper and Flance,

The score Keeper and Flance.

league ball alive in many instances.

Nowadays it isn't so much whether his job.

Scoring is nothing but the setting down of good haseball sense. There are practically just two kinds of scorer, conceding that each knows his job, and the two are—the score who prefers to score hits and he who would rather give errors.

The writer, having scored baseball games in class A, B, C and D leagues. There are dozens of little games in class A, B, C and D leagues. There are dozens of little games in class A, B, C and D leagues. There are dozens of little games which the games in class A, B, C and D leagues. There are dozens of little games in class A, B, C and D leagues. There are dozens of little games which the same time it is going to have the fielding and batting averages of the other players.

There are dozens of little points that will come up in any game which the amateur score keeper believes he whenever possible to score a hit instead of an error. Hits do not hurt a pitcher. On the other hand errors do undermine the fielder.

If the fielders know that they have a score Reeper belind them who is old Llewellyn Liberal himself in the matter of not giving them errors on difficult chances the probability is that five will go after everything in sight and lead fielding chances that they would not have easyed did they know that a grim taily keeper at ours with the world in general, sat in the press box just acking to band someone a but blue E.

Here's Another Case.

A batisman credit or a sagainst the batter points that will be game time it is going to hurt his percentage with his game. The points that hat will not experit the same time it is going to raise the probability is that first points and batting averages of the other players.

There are dozens of little points that a given four halls. If he is given four halls, If he is given four halls if he was given will are the amateur score keeper believes he will come up in any game which the amateur score is sent to make the will not experit the same time it is going to

the leaguers is an old saying that any old lady can learn to field, but that hatters are born.

That also accounts for the fact that the minor leagues are crammed in the minor leagues—but they usually lag the transport of the batter than those in the major leagues—but they usually lag to this remarkable fielding learning an inability to slap the leather for the "throw in."

The score Keeper and Flance.

Many minor leaguers consider them selves lucky to break a little better than a refor. As a matter of fact the second baseman are error. As a matter of fact the second baseman an error. As a matter of fact the second baseman an error. As a matter of fact the second baseman an error. As a matter of fact the second baseman an error.

Here's Another Case.

Here's Another Case.

A very common error on the part of major leagues a number of autgorities may be found with widely divertating averages, indeed if that the batter hits safely to center field. In which to score certain of the more the sole consideration. Among The man on second rounds third and intricate plays.

#### DENIES STATEMENT OF EL PASO TIMES

Dell M. Potter, Ocean to Ocean Highway Official. Says It Is Untrue.

Day S II IS UHLFRE,
Duran, N. M., April 15,
Editor El Paso Hernidi.
You will please notify L. D. Bukey,
secretary of the El Paso Auto club,
that I will deposit \$1000 with any responsible institution to be paid to the
good roads association if he can successfully prove the assertion that
harvey Herrick, driver of the Hearst
Ocean to Ocean Highway association
car, made any such statement as that
contained in the El Paso Times Jated
April IL

April 11.

The exact running time for said car from Clifton east to Lorisburg, N. M., was three and a half hours. The elevation of the country from Phoenix to the eastern line of Arizona is as low or lower than Et Paso. If this route is a low or lower than Et Paso. If this route is

law is not.

I will deposit a second \$1000, paysole to the same fund if Mr. Bukey
can establish the fact as to scenery
mentioned in said letter or wire. I
also state that the map furnished by
me to the Automobile Blue book on
short notice, contained a description
of the most practical route to Douglas
and Bisbee from Phoenix by our state
road, and parties going west leave our
road at Safford, thence to Willow,
Douglas and Bisbee.

We diverted the car from Clifton, as
the road to Springerville is not completed, and went so far as to call the
sattention of Mr. Lawrence and Mr.
Herrick to the distance to El Paso
from Deming at a point where the car
turned north to connect with the nalional highway.

I do not believe Mr. Bukey ex-

I do not believe Mr. Bukey ex-pressed the opinion of the El Paso. Auto club. El Paso will certainly get the Southern national highway, but such a misstatement will do the good roads cause harm.

Dell M. Potter. Vice President Ocean to Ocean High-way Association for Arizona.

#### FILLER WINS SHOOT FOR HUNTING KNIFE Nine Ties in Competition and

Elimination Trials Make Filler the Winner.

The largest crowd of the season at-tended the regular shoot of the El Paso Elfie club on Sunday morning. The following were the scores made he following were not the rifle and cup events: Rutledge .... 46

Johnston

Ramsey
There was nine ties on the hunting knile which were shot off by shooting five shots, which resulted in three ties. Rutledge Corning and Filler were tied and Corning and Filler were still tied after the shoot-off. Filler won out and carried off the trophy, thus ending this event. It is the intention to have something new to begin on next Sunday and all riflemen, whether members or not, are invited to attend.

## Wolgast Substituted Portland ... 4 7 0 Oakland 6 11 2 Batteries: Portland, Harkness, Hen-derson, Stelger and Howley; Oukland, Ables and Tidemann. Instead Of Mandot Champ and Rivers Are Now Slated

to Meet In Los Angeles On May 30. T SEEMS that Uncle Tom McCarsy

has called off the Mandot-Rivers engagement and in its stead will substitute with Wolgast and Rivers.
Well, that is the bet that the An

geleno fans want to see and the quicker the better.

Rivers' manager is incidentally playing rather foxy. The young Mexican will not yet be at the lightweight poundage when he meets Wolgast. Should he lose, his position will be no worse than it is now, for they will wait for him to grow and give him another chance.

Should be win the money would come into the Levy-Rivers camp by

Los Angeles has had this fight up its sleeve for weeks and the fans are carroling with joy in prospect of it.

When mentioning astute prometers do not forget Thomas Jefferson Mc-Carey.

Meantime Mandot will run around loose and if he does anything more worth while he may be sure of his chance sooner or later. Boston Salaries: New York, Vaughan and Street: Boston. Hagerman Hall and

of his assertions he points out fits men on his world-beating staff whom he grabbed from college and "learnt" them major league ball as she is played.

Counie likes youngsters because they subsers to training rules. And after all that's a great help to the same.

He points, too, to the fact that the day when mobbing the umpire was considered incumbent upon the fans before they could really enjoy their supper has gone. The umpire is the royal bengal of the field just now, should anybody step up and ask you about it. At Cincinnati - Chicago-Cincinnati game postponed on account of rain.

It must annoy Ty Cobb awfully to have that young parrenu, Joe Jackson of the Naps, cop the Hon's share of the bonors in the opening games.

Boston.

Philadeiphia.

Batteries: Boston, Dennelly, Brady, Hogg, Mattern and Kling; Philadelphia, Gowdy, Nunamacker, Seaton and Dootn.

We would hate to see an outfielder.

We would hate to see an outfielder, with three men on bases, have to judge a long hit fly ball on such a day

. . . . . Cyrus Morgan, powerful right hander of the Athletics, allowed just one lit to Washington in Friday's argument. Washington is not fattening up to any noticeable extent on the wiles of the Athletics' pitchera Three hits in the first two games was the total which is a team batting average of about .070.

Has Clarke Griffith another lemon?

Cincinnati is not at all clubby with the Cuis. Two in a row. Ho, hum, it's a gay life. The city league has postponed its opening another week. The players are accordingly restless. But they'll

be going soon. Detroit is rolling in the dust. But a Tiger has pienty of spring once his mind is made up.

McFariand, Pnckey, occasionally does show what he has in him by simpling over a knock-out. But Packey much prefers to take things leisurely. To him a 10-round decision represents the name of satisfaction, if El Paso has as much sand as it has sand—but what's the use.

The Midland college baseball team pinyed a series of games here also.

First game, 2 to 4 in favor of the home team; second game, 0 to 9 in favor of Midland college; third game was a tie, as the Midland boys had to hurry to catch their train home.

The baskstball girls gave a big-dance and supper Monday night at the City ball.

When Boatrix Hoyt was the woman champion of the country it chanced that she was to meet a Mrs. Somebody Hyphenated Jones on the Morristown links for the feminine championship of the United States.

A Newark newspaper quite aware of the momentousness of the news of the play, which was avidly absorbed by the smart set, announced that it would carry the full and best news of the match. It was in fact, it admitted, the the special leased wire on the situation.

the special lensed wire on the situation.

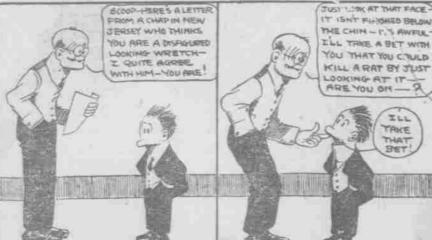

Thus many of the golfing devotees who had read the enterprising advance notice by the paper were shocked the morning after the match to read the lead, an excerpt of which follows:

"In the match between Mrs. Somebody Hyphenated Jones and Miss Beatrix Hoyt for the woman's golf championship of the United States. Mrs. Jones succeeded in rolling up the magnificent total of 102 strokes, while the best Miss Hoyt could make was 88."

And follows the third of William's golf repertoire: A man, more or less of a fair golfer, partock of several highballs, or possibly more, and thence proceeded with dignity to the golf course.

Testing his ball carefully at the first tee, after the usual preliminary false strokes, which are supposed to lend greater accuracy and power to the eventual drive, the Scotch and soda victim let drive. As sometimes happens in such conditions he missed the bill entirely. But as murmured:

#### bers or not, are invited to attend. But he murmured; "Now for a-of a long put" The Gentleman In New Jersey Is Correct-Little Scoop Agrees With Him JUST LOW AT THAT FACE HE'S JUST JERLOUS OF YOURE RIGHT-IT ISN'T FLOSHED BELOW WHAT LL YOU GIVE.
